2. Please specify the status of the signatory of the proxy form and attach, if necessary, documentation proving powers of signature.
3. To be completed only if the holder of the shares is not the signatory of the proxy form, mandatorily indicating all the relevant details.
4. Please provide the securities account number and the ABI and CAB codes of the depositary intermediary or its name, as found in the securities file statement.
5. Any reference to the communication sent by the intermediary and its name.
6. Please provide details of a valid identity document of the signatory of the proxy form.
7. Please provide the full name of the signatory of the proxy form and the voting instructions.
8. Pursuant to Article 135-undecies, paragraph 3, of Legislative Decree No. 58/98, "Shares for which a proxy has been granted, including a partial proxy, shall be included for the regular constitution of the Shareholders' Meeting. In relation to proposals for which voting instructions have not been given, the shares are not included in the calculation of the majority and the capital required for approval of resolutions".
9. The resolutions proposed at the Shareholders' Meeting, which are summarised below, are provided in the Reports published on the Company's Corporate website at <http://www.cattolica.it/home-corporate> in the "Governance" section. Computershare S.p.A., as the Designated Representative, has no personal interest or interest on behalf of third parties in the aforementioned proposals but, in the event of unknown circumstances or in the event of amendment or addition to the proposals submitted to the Shareholders' Meeting, does not intend to cast any vote other than that indicated in the instructions. **The vote is cast by ticking the box for either F (for), C (against) or A (abstained). With reference to item 4 on the Shareholders' Meeting agenda, a vote in favour is cast by entering in box no.... the identification number of the slate (obtained from the Company's website) to which the vote is to be awarded.**
10. Section A2, where present, collects voting instructions if, within the deadline and where permitted, an **alternative, complementary or supplementary** resolution proposal is submitted and published by the administrative body. The Designated Representative will cast a vote on each of the proposals put to the vote at the Shareholders' Meeting according to the instructions given, as the Grantor has sole responsibility for expressing voting wishes consistent with any (alternative or complementary) proposals that are published.
11. If resolutions not provided for in proposals published by the legal deadline are put to the vote, the Designated Representative may not cast any vote without instructions. Therefore, in the event that significant circumstances arise that amend or supplement the proposals published, not known at the time of granting the proxy which cannot be communicated to the Grantor and which may change the latter's voting intentions, the Grantor may provide advance voting instructions in Sections B and C by choosing between: **Conf** (confirmation), **Rev** (revocation) or **Mod** (amendment) of the voting instruction already given. If no choice is made, the Section A voting instructions are deemed confirmed. In particular, if a resolution **replacing** that published is submitted to the Shareholders' Meeting and put to the vote (or an **alternative** resolution if the original resolution fails to obtain the majority of votes necessary for its approval) the Grantor may set out in Section C voting instructions replacing or supplementing those in Section A.
12. Voting instructions given in relation to the various characteristics of the proposer indicated in Section C may also be identical to each other, but shall only oblige the Designated Representative to cast a vote if the proposer meets the requirements indicated in the relevant instruction. **Absent** a proposed resolution of the management body, the Shareholders' Meeting will be called on to approve a **supplementary** proposal presented at the Shareholders' Meeting. Voting instructions are therefore collected by the Designated Representative in Section C as the sole expression of vote on the proposals submitted by the person indicated therein.

The decree shall be published in the manner provided for by Article 125-ter, paragraph 1.

**Data Controller(s) in respect of Personal Data**

Computershare S.p.A., with registered office at Via Lorenzo Mascheroni No. 19, Milan (hereinafter "**Computershare**" or "the **Controller**"), Designated Representative of the issuer pursuant to Article 135-*undecies* of Legislative Decree 58/98 (TUF) and Article 106 of Decree-Law No. 18 of 17 March 2020, as controller of the "**Processing**" (as defined in Article 4 of the Regulation) of the Personal Data (as defined below) provides this "Privacy Policy" in accordance with the relevant legislation (Article 13 of the Regulation and subsequent related domestic legislation).

**Purpose and method of Processing**

The personal details of the shareholder and any of its representatives (the "**Grantor**") as well as the residence, tax code, details of the identity document, email address, telephone number, and shareholding (together the "**Personal Data**") are communicated, including via computerised or electronic means, by the Grantor to Computershare through this form, used to confer a proxy to represent it at Shareholders' Meetings and to vote on behalf of the Grantor in accordance with the latter's instructions.

The Data Controller processes the Personal Data of the Grantor included in this proxy form in a lawful and correct manner and in such a way as to ensure its confidentiality and security. **Purpose and legal basis of processing**

The purpose of the Data Controller is to allow representation at the Shareholders' Meeting and the correct casting of votes by the Designated Representative on behalf of Grantor in compliance with the provisions of the aforementioned Article 135-*undecies* of the TUF and Article 106 of Decree-Law No. 18 of 17 March 2020.

- statutory: i.e. fulfilling legal obligations to which the Designated Representative is subject vis-à-vis the issuer and the supervisory authorities.

The provision of Personal Data and their processing is necessary for the purposes indicated above and failure to provide said data makes it impossible to establish and manage the representation relationship at Shareholders' Meetings.

**Recipients, preservation and transfer of Personal Data**

Access is permitted to the Personal Data for the purposes referred to above, before, during and after the Shareholders' Meeting of the issuer, to the employees and associates of the Data Controller who are in charge of Processing, and to the issuer itself.

They will be communicated by Computershare to the issuer for legal obligations relating to the drafting of the minutes of the Shareholders' Meeting and the updating of the shareholders' register, and will only be communicated to third parties to comply with requests from the supervisory authorities and the courts.

**Rights of the Grantor**

The Grantor has the right to know, at any time, what their Personal Data are and how they are processed; it also has the right to have the data updated, supplemented, rectified and the right to have them deleted, limited or to oppose their Processing but, in these cases, it may be impossible to implement its instructions regarding participation at the Shareholders' Meeting. It should also be considered that, after the Shareholders' Meeting, the Personal Data and voting instructions of the Grantor must be stored by the Designated Representative for one year and kept available to the Authorities.
